### Activities: Tri-Town Recreation is geared for fun, exploration and adventure!

Campers will be placed in a group, according to grade level, to ensure activities are geared toward specific interests and abilities. Two leaders will be with each group to travel to a variety of planned programs throughout the day. Leaders are chosen for their experience and interest in working with youth in a camp setting.

Campers will participate in sports & games, cooking, crafts, recreational swim, nature awareness and our newest program, 'Camper Choice' throughout the week. Other programs, guests from the community and specific events will be planned throughout the summer around different weekly themes.
