

IROQUOIS EMAIL NOTIFICATION INSTRUCTIONS

It is important for all residents, whether or not you have children attending school, to receive essential information in a timely manner. To achieve this goal, we are pleased to announce the implementation of the Iroquois School District email notification system.

Emails from the District will include budget information, district-wide announcements, and the newsletter.

To sign up for the email notifications visit www.iroquoiscsd.org and click on “District Email Notifications” under site shortcuts.

Site Shortcuts

> District Email
Notifications

Once you have registered you will receive an email to confirm your registration. The registration process is not complete until you confirm through the email notification.

Registration for emails from individual buildings, athletics, music and art are also available at the links below:
