

# IROQUOIS CENTRAL SCHOOL DISTRICT 2017/18 CAPITAL PROJECT INFO

## Campus Site Work

Reconstruction of parking and drives completed by September 2017.

### 2017 Summer Building Accessibility

The campus site reconstruction work shall be performed in phases throughout the summer. The map below shows the current accessibility to parking and drives.

As completions of certain areas are complete and access changes the site map below will be modified to reflect current conditions. Please note that red indicates non-accessible areas and green indicates accessible drives and parking availability.
