

IROQUOIS CENTRAL SCHOOL DISTRICT 2017/18 CAPITAL PROJECT INFO

Middle School - Intermediate School / Administration

New Handicap ramps construction expected to be completed by September 2017.

New classroom security electronic locksets. No completion date at this time; however, it will not affect building access in the fall.

Preparation work for HVAC reconstruction during summer of 2018.

2017 Summer Building Accessibility

The Middle School and Intermediate buildings will be open for building use throughout the summer; however, construction activities may impede access to certain areas of the buildings along with access drives and parking areas.

Please see Campus site map for current site access.

Please contact the personnel listed below for when building access will be available.
