

Welcome to Mrs. Yount's home page!

Mission Statement:

School Social Workers establish a supportive network of services to bridge the gap between the home, school and community. I assist administrators, principals, staff and parents in meeting the educational, social and emotional needs of the students.

School Social Workers provide the following services:

- Confidential Individual & Group Counseling
- Academic Support
- Crisis Intervention
- Goal Setting
- Consultation with Teachers and Parents
- Run Student Support Team (SST)
- Participate in CSE meetings/504 process
- Referral Resource
- Conduct Social/Emotional Assessments
- Linkage with Community Resources
- Developing Positive Coping Skills
- Stress management Techniques
- Mindfulness Techniques
- Conflict Resolution
- And much more!!!!

Thanks for visiting!
