2024 New Visions and Tech Prep application is now live on the BOCES website:

- 1. The application is an **online submission**. Students can access the application through BOCES' website at www.e1b.org/newvisions then by clicking the "Apply Today" button.
- 2. Transcripts, report cards, and attendance records will need to be uploaded by a student's counselor. A teacher may submit their letter of recommendation to the Student Support Services Office and the counselor can upload it. **Be sure to allow five (5) days before the due date.**
- 3. The <u>flyer/handout linked here</u> is for students who are considering applying for any of the programs. Students should explore what the application and the courses entail, including providing their own transportation to and from class and internship sites.
- 4. Individual informational flyers can be found in the <u>New Visions and Tech</u>
 <u>Prep folder linked here.</u> These feature clickable QR codes.

The deadline for applications is Friday, March 1, 2024.

Interviews will be set up for March and April.
