

World Class Taekwondo is coming to

Wales Primary!

Special After School Program for grades K-4 starts February 6th!

What is the World Class Kids After School Program all about?

For over 30 years, the instructors at World Class Taekwondo have been helping kids throughout WNY to grow up healthier, happier and self confident. The World Class kids program is a 5 session mini course, during which your child will learn basic martial arts techniques and learn positive character traits that lead to success at home, school, and sports.

At the end of the program, your child will put on a performance to show you what they have learned and even break a board! It's a great way to encourage your child to try new things, gain new skills and learn to believe in themselves. Your child will also be taught concentration, listening skills, cooperation, and courtesy. Kids love learning Taekwondo, and parents love the positive impact it has on their child's mindset and behavior.

How does it benefit my school?

The instructors and materials required to run the World Class Kids program will be donated by World Class Taekwondo as part of our commitment to inspiring the children in our community. The registration fee of \$20 will be donated directly to Wales Primary Elementary.

Registration is fast and easy!
Please register by Monday, February 5th
