

SPECIAL NOTICE TO PARENTS

Iroquois Central Schools have always been concerned about the safety of your children. We ask you to do the following:

1. Call the school if your child is sick or absent for other reasons.
2. If someone other than yourself is to pick up your child from school, send a note with the person's name.
3. Whoever picks up the child **MUST** come into the building and sign his/her name.

There will be a communication from the school to the home of every child who is absent when previous notification of the absence has not been received by the school.

The attendance office numbers for the Iroquois Central School District are 652-3000 and then dial the appropriate extension:

Elma Primary	ext. 2001	Iroquois Intermediate/Middle School	ext. 6501
Marilla Primary	ext. 3001	Iroquois High School	ext. 7880
Wales Primary	ext. 4001		

Thank you for your assistance.
